

To testing and certification body of expert committee construction industry:

**Application for testing the operator's field of view of earth moving machinery**

**1 Applicant**

1.1 company (pursuant to commercial register)	
1.2 group affiliation (if applicable)	
1.3 address (street, postcode, place)	
1.4 legal form	
1.5 contact person	
1.6 phone	
1.7 e-mail	

**2 Product information**

2.1 product designation (s)	
2.2 type(s)	
2.3 weight [kg]	

**3 Manufacturer**

like applicant

not similar to applicant

3.1 name of manufacturer	
3.2 address of manufacturer	

**4 Your membership number at BG BAU**

(If the applicant or the manufacturers is a member of BG BAU, please note here your membership number.)

4.1 Membership number	
-----------------------	--

**5 Scope of testing**

We apply a **test of the operator's field of view**  
(According to ISO 5006:2006 und ISO 5006:2017)

new machine

used machine

The machine is equipped with the following visual aids:

mirror (s)

CCTV

**6 Production facility**

like applicant

like manufacturer

other production facilities

(Please give us all information of production facilities where the product is produced.)

pos.	production facility (full address)	business activity (for example: design, development, manufacturing, assembly)	number of employees

**7 Production**

series production

individual production

planned quantities /year:

**8 Test location**

like applicant

like manufacturer

other location

8.1 test location	
-------------------	--

## 9 Technical documentation
