Letter of attorney

Concern:

Product:

Type:

This is to certify that

(Name and seat of the authorized representative established in the Community)

is authorized to apply for the above type to be subjected to an EC type examination by a notified body in the European Community and for an EC type test certificate to be issued under the terms of Directive 89/686/EEC.

We certify that we, ourselves, did not apply for an EC type test certificate for the above product and that no other letters of attorney have been or will be issued.

(Place and Date)

(Legally binding signature)
